

**MINOR FIELD:** FRENCH

**DEPARTMENT:** Foreign Languages and Literatures

**TOTAL NUMBER OF CREDITS:** 18

**RATIONALE:**

A second language area for language majors is essential in today's workplace. Those seeking dual certification can profit from this additional program, even if they must finish the minor sequence after graduation. Students in major fields other than foreign language will benefit from the visibility of the "minor" to employers when it appears on the transcript.

**REQUIREMENTS:**

FRE 201 – 202	Advanced Intermediate French
FRE 309	French Phonetics and Conversation
FRE 310	French Stylistics: Composition

Electives (6 credits) may be chosen from any other 300-level French courses offered.
