

AlcoholEdu for College Student Directions: First-year Students

Dear Student,

This year, as part of our comprehensive alcohol prevention program, Immaculata University is requiring each member of the first-year class and all transfer students enrolled in the FYE course to complete AlcoholEdu for College – an online, non-opinionated alcohol prevention program. Used on over 500 campuses nationwide, the course uses science-based research to educate students about alcohol and its effects. Whether you drink or not, AlcoholEdu for College will empower you to make well-informed decisions about alcohol and help you better cope with the drinking behavior of your peers.

The course has two sections, **both** of which must be **completed to fulfill this requirement**:

- Part 1 of the course takes approximately 2 hours to complete, and we recommend that you take it in multiple sittings. This part ends after Survey 2 and the Exam. You must **earn a grade of 70% or higher** to pass and receive credit for the course. **The deadline for finishing Part 1 is Friday, August 20, 2009**
- About **45 days** after you complete Part 1, you will receive an email asking you to complete Part 2. **The deadline to complete Part 2 is Thursday, October 15, 2009.**

Please Note: it is important that you stay within the deadlines to complete AlcoholEdu; failure to complete and pass AlcoholEdu will affect your FYE course grade as well as prevent you from registering for spring 2010 classes the week of November 16th.

Please note that the course includes three surveys that measure students' alcohol-related attitudes and behaviors. All survey responses are strictly confidential; the school will only receive information about the student body as whole and will never see individual students' answers.
