Immaculata University
Music Therapy Program
Suggested Reading List

Readings to start with:

Music Therapy Journals:

Music therapy research is published in a wide range of journals, including educational, medical, rehabilitative and psychological journals, within the United States and internationally. A librarian will be able to help you find articles using search engines such as Academic Search Premier.

The following journals provide a wide range of articles on music therapy research and clinical practice:

*Journal of Music Therapy* (USA)
*Music Therapy Perspectives* (USA)
*The Nordic Journal of Music Therapy* (European)
