**Terms and Conditions: 2023-2024 Academic Year**

Immaculata University (the University) provides tuition assistance to all students enrolled in matriculated degree seeking programs including full-time College of Undergraduate Studies (CUS), College of Adult Professional Studies (CAPS), and College of Graduate Studies (CGS). The purpose of tuition assistance is to make attendance at the University more affordable for eligible students. The University may use other methods including but not limited to discounts, adjustments, endowments or grants to make tuition affordable. Should the University apply any of these or other methods to the student's University bill, the amount of the University tuition assistance can be reduced at the University's sole discretion.

The University does not contract with the student nor guarantee to the student upon acceptance to the University, that the terms and conditions for the offer and acceptance of tuition assistance will not change during the student's enrollment at the University. An offer and acceptance of tuition assistance is required for each academic year. The financial aid may be revised at the sole discretion of the University due to corrections, changes in federal or state regulations, or funding levels.

Tuition assistance is applied toward comprehensive annual tuition paid to Immaculata. Tuition assistance may not be applied to room and board or other fees or charges. Tuition assistance is not applied to tuition charged by any other institutions. The University may replace any form of tuition assistance in part or full with other University aid at any time during the student's enrollment as a full time undergraduate student.

Tuition assistance in the form of Immaculata Academic Scholarships and Immaculata University Grants are given to full time, undergraduate, matriculated, degree seeking students in the College of Undergraduate College (CUS), who will complete a minimum of 12 credits in the fall and a minimum of 12 credits in the spring semester with the goal of graduation in four academic calendar years. If a student changes enrollment to part time in the traditional CUS program or enrolls in the College of Adult Professionals Studies (CAPS), they are not eligible for the Immaculata Academic Scholarships nor the Immaculata University Grants. If a student goes beyond the eight semesters, takes a semester to study abroad, withdraws or stops out for a semester, goes below half time for a semester or enrolls and pays tuition at any other institution, the student is not eligible for Immaculata Academic Scholarships or Immaculata University Grants during that time. For these purposes, a semester is defined as a spring semester or a fall semester. Immaculata aid, scholarships and grants apply only to tuition paid for the spring and the fall semesters. Failure to maintain minimum academic standards, withdrawal, and disciplinary action are cause for adjustments or cancellation of any or all University scholarships, grants or financial aid.

**Academic Scholarships**

Immaculata provides tuition assistance in the form of Academic Scholarships based upon the student's academic and extracurricular record along with other information provided by the student or the student's high school during the enrollment process.
