Creating Connections

ALUMNI ASSOCIATION

The Immaculata University Alumni Association was established in 1925 and has over 21,000 members in 30 countries. Involvement in the Alumni Association provides social and professional opportunities for alumni to stay connected with each other and with Immaculata. Involvement can also lead to opportunities for Immaculata's current students—whether through financial support, career mentoring or recruiting prospective students. Our vision is to inspire the heart of a fully engaged community.

We encourage you to stay connected by attending one or many of our events held throughout the year! *Your participation in the life of the University will ensure the Immaculata legacy for the future.*

The education I received at Immaculata provided the knowledge, skills and confidence that served me well during my professional careers, first as a biomedical technologist and then as I transitioned into education. Once I retired, it was time to give back to the Immaculata community. Alumni board membership has created opportunities to reconnect with classmates and fellow alums, to help facilitate a positive educational and social environment for current students and to promote activities that spread the good news of Immaculata. I encourage all alums to become active members of the IU community, share good memories, network with other professionals in your field and experience firsthand the growth of Immaculata's campus and programs.

The Immaculata Legacy Society honors alumni, parents and friends who have established endowments, thereby helping to secure the future of the University.

THE 1920 SOCIETY

The 1920 Society honors alumni and generous donors who have given cumulative gifts of \$50,000 or more to the University. These benefactors are commemorated on a beautiful marble plaque located outside of the President's Office on the first floor of Villa Maria Hall.

THE HERITAGE SOCIETY

Heritage Society members strengthen Immaculata University's legacy and make a lasting impact on future generations of students through their planned gift to the University. These individuals have the vision to transform students' lives by providing the means to support a vibrant IU learning community via provisions in their estate plans (wills and trusts) and/or beneficiary designations (annuity, IRA, qualified retirement plan or life insurance).

As a member of the Heritage Society, you will play a vital role—along with its 109 current members—in honoring our historic past while offering an ambitious future for generations of students to come!

Heritage Society members can designate their legacy to:

- » The Immaculata University Endowment
- » Designated program support
- » An endowed scholarship
- » Named endowment for a specific purpose
- » General use by the University
- » Other donor-selected projects

PLANNING AHEAD FOR IMPACT

If you have made provisions for Immaculata University in your estate plans or through a deferred gift designation, simply notify us of your gift intentions so we can warmly welcome you and extend an invitation to our celebratory events. Your willingness to be recognized as a member of the Heritage Society may encourage others to follow your example.

If you are not a member, *please consider joining this special group of individuals who care deeply about the University.* Bequests of all sizes will impact the University for generations to come! Our team can help you and your advisers structure a gift strategy tailored to your financial and philanthropic goals.

Promoting Scholarship

YOUR ENDOWED SCHOLARSHIP WILL ENSURE DESERVING STUDENTS HAVE A CHANCE TO ATTEND IMMACULATA UNIVERSITY.

In recent years, Immaculata University has seen exceptional growth in its enrollment. Its academic and athletic programs coupled with our impactful mission make IU a strong liberal arts university.

For many of these students, an education would not be possible without financial support. As enrollment increases, the University endeavors to secure funding for our students through the establishment of new scholarships and the continued support of existing ones. It is through scholarships that students in financial need are given the chance to gain a university education at Immaculata.

Today, donors have established 65 endowed scholarships at Immaculata. We value our donors' generosity and appreciate their support in helping the University attract students. Scholarship gifts provide not only a meaningful source of financial support to the student, but also help the admissions staff in attracting students and building the endowment.

Your endowed scholarship can serve as a permanent tribute.

Scholarships can be established in honor or in memory of a family member, friend, faculty member or Sister. Also, a scholarship may be established in recognition of an academic department or program.

Your scholarship can be a way to pay it forward.

Since the founding of Immaculata University, academic scholarships have been a vital resource used in attracting students. Annually, donors will receive annual reports, including a financial statement and information about their student(s).

Your scholarship gifts can provide immediate tax benefits.

An outright gift in the form of cash or appreciated securities will allow you to receive immediate tax benefits in the year you make your scholarship gift to the University. In the case of appreciated securities, you may also avoid capital gains taxes. You can also provide for your scholarship in your estate plans. Estate gifts are an easy way to establish a scholarship without affecting your current income or assets. Scholarships are established at a minimum of \$25,000.

Giving Back to IU

THERE ARE MANY WAYS YOU CAN GIVE BACK TO IMMACULATA!

Make an annual gift to The Immaculata Fund

Annual alumni giving impacts many things. Most importantly it supports IU students in the form of financial aid and campus/program enhancements. Please consider making a gift of any size to pay it forward to a student who has the same dreams as you once did. Visit immaculata.edu/give.

Become a member of the Loyola Society

Membership in the Loyola Society is attained with your consistent annual gift of any size to Immaculata for five or more consecutive years.

Refer a student to Immaculata

Encourage your family members, neighbors, friends and co-workers to consider Immaculata for their educational needs. We regularly add new degrees and programs to address the demands of today's workforce. Visit immaculata.edu/admissions and explore the possibilities.

Attend an alumni event

We host more than 50 events each year! Ranging from "On the Road," to on-campus or virtual, we would love for you to join us, connect with alums and learn about the great things taking place at Immaculata. Visit immaculata.edu/alumni/events to view event listings.

Provide student internships & jobs

Assist students by sharing your internship and job opportunities with the Office of Career & Professional Development. Email careerdevelopment@immaculata.edu for details.

Planned giving through your IRA estate

Provide for the future of Immaculata by naming the University as a beneficiary of your will, estate or a current financial account. Consider making an IRA charitable rollover gift and receive a tax benefit this year. Contact Susan Arnold for details: sarnold@immaculata.edu or **484-323-3198**.

Join the Maxis Society

Make a leadership gift honoring the tradition of excellence and innovation at Immaculata with a gift of \$1,000 or more to join the Maxis Society. Graduates of the last 20 years are offered Maxis Associates level membership with donations from \$150-\$500 depending on number of years as alumni. Visit immaculata.edu/maxis for details.

Visit campus

Alumni affinity gatherings, Reunion, Carol Night, NCAA Division III games, performances by the Immaculata Symphony and Cue & Curtain Theatre and more—we have a LOT of activities and events on campus throughout the year. Stop by to see firsthand all that is taking place on our beautiful campus! Contact the Office of Alumni Relations if you will be visiting campus and let us know: alumnidept@immaculata.edu.
