

Immaculata University Class Agents

Immaculata University has a strong network of volunteer partners in fundraising, our Class Agents. Agents work with the Office of Institutional Advancement to promote information about University activities, help keep them informed about campus news, and encourage them to participate in financial support of Immaculata. Class Agents are valuable affiliates for special events, such as the Centennial Celebration, Reunion, and other hallmark occasions.

If your class does not have an Agent within the list below, and you are interested in becoming a Class Agent, please contact Mary Ravenfeld, Director of Annual Campaigns and Leadership Giving, at mravenfeld@immaculata.edu.
